GREAT CURE DR LELAND'S

ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Beuralgia, AND A SURE CURE FOR All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons; no change in habits of living is required, and it entirely removes the discase from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect cure, and restoring the parts afflicted to a healthy condition. This Band is also a mostpowerful ANTI-MEROURLAL agent, and will entirely relieve the system from the periodoss effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimunials of its efficacy in aggravated cases of long standing.

it soft and silky in its texture, and causing it to cust readily.

The great celebrity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It cleaness the head and scalp from dandruff and other cutaneous discusses, causing the hair to grow luxuriantly giving it a rich, soft, glossy and flexible appearance, and also, where the hair is loosening and thinning, it will give strength and vigor to the roots and restore the growth to hose parts which have become hald, causing it to yield a resh covering of hair.

hose parts which have become taid, causing it to yield a resh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have falled. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest redsects-bility. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has airendy changed its color, the use of the Invigorator will with certainty restore it to it to its original hue, giving it a dark, glossy appearance. As a perfume for the tollet and a Hair Restoraire it is particularly recommended, having an agreeable fragrance; and the great fatoilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when mois with the Invigorator, can be dressed in any required form so as to preserve its place, whether plainfor in curls; hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

Only Twenty-Five Cents
per bottle, to be had at all respectable Druggists and Perfemers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any imparities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future [appearance of its Hair.

DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS -A case of five years' anding cured by DR. HEYSER'S PROTORAL SYRUP.

Pirrasures, Jan. 11, 1800. Privatures, Jan. 11, 1800.

Dr. Kruser:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine suyself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privisures, Nov. 18, 1858.

Dr. Kryser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, coids and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that disagreeous sense.

I have been, more or less, in my life, affected with the verrest of colds and hoarsuness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Byrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

Oashier Citizens' Deposit Bank.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—DR. KEYSER—Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. Rienocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am condident ican breather more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. Eve uare at liberty to use my name in this regard, as you think proper E. P. Privatoran, April 24, 1857.

READ THE TRUTK.—Dr. Krysen: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.

I purchased from you a bottle of your PECTORAL SYBUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

Robinson street, Allegheny.

GREAT CURE BY DR, KEYSER'S PROTORA SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acoust the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PEOTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what thas done in my case.

JOHN C. LITTLE,
Witness—B. M. Kerr. Peebles townhip.

PATTON Tr., April 14, 1857.

A WONDERFUL OURE.—Some time ago, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Fectoral Syrap, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

ANOTHER NEW CERTIFICATE—DR. KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed,

"STOP THATGOUGHING."—'How can I do it? "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheeristly concur in the adviser's admention as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mullah, unsubduable coughs we ever experienced since our advent upon this mundance sphere. We coughed steadily and laboriously for one whole week, in hopes of thring it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral," took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Droceculic Chipper, Dec. 14, 1832.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in rejuieving all, and curing most or those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE TO TH. Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medica Discovery becomes a fountain of blessing to your husband and household.

In the more advanced stages of OANKER
It extends to the stomach , causing DYSPEPSIA. which is nothing but canker on the stomach; then to the KIDNEYS,

your food distresses yeu, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonous fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow and greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body be come relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to

CURE; Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the PILES.

How many thousand of poor women are suffering from this disease and pining away a miscrable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old provere, "An ounce of prevention is better than a pound of cure," In the INEDICAL DISCOVERY you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury. THE MEDICAL DISCOVERY
